"Welcome to inkyCliq, your partner in innovative digital design solutions. We specialize in providing high-quality, affordable services tailored for startups and small businesses in South Africa."

Introduction

In the grand year of 2016, a visionary digital design agency named knlcircle burst onto the scene, kicking off an inspiring odyssey in the creative cosmos. Brought to life by the dynamic trio of Karabo, Andile, and Khomelong, the agency quickly carved out a name for itself with its boundary-pushing, jaw-dropping design wizardry.

Fast forward five triumphant years and a treasure trove of happy clients later, the agency donned a snazzy new identity in 2021, rebranding as ****inkyKarabo (Pty) Ltd****. This makeover wasn't just skin-deep; it mirrored the founders' ever-evolving creative mojo and their zest for rewriting the rulebook of digital design.

With their sights set on expansion, they added some serious muscle to their lineup. Enter ****inkyAndii (Pty) Ltd****, the number-crunching whiz and web wizard, and ****inkyMellow (Pty) Ltd****, the marketing maestro and digital dynamo, all joining forces to deliver a branding extravaganza. Under the spirited leadership of Andii and Karabo, ****inkyKarabo, inkyAndii, and inkyMellow**** continue to dazzle, crafting custom design and digital marvels that fuse artistic flair with high-tech wizardry, ensuring every project is a one-of-a-kind showstopper.
